Telford Community Pride AWARDS

Telford Community Pride Awards 2018

Thursday 29th November 2018

Including freeman of the borough presentation

In 2018, when Telford celebrates its 50th anniversary, we will be holding the 'Telford Pride Awards' to recognise the contribution of local individuals, groups and businesses to the success of the town. Celebrating all those who are making a difference in their community, workplace or school and giving Telford a sense of pride from the contribution they are making.

This is a great opportunity for the community to nominate those individuals, groups or businesses that have made a difference in your community or the wider borough – either by supporting, mentoring or being a great role model to others.
